“New GTS VP/New Virtual GTS and More!”

This past month it has been exciting to see the online growth of Gospel Trick Shot. According to our Gospel Trick Shot Facebook page analytics over 4,000 people were reached the past month by way of two short GTS videos entitled “Joy” and “Wall” and one longer GTS video entitled “Hope.” We also released three podcasts and other materials on LinkedIn and Twitter which continue to be accessed by many as well. Video was produced in the Hewitt studio in Muncie, Indiana this past month with much material of Tom “Dr. Cue” Rossman, Brian Pauley, and Michael Hewitt recorded which is now available to edit. The material will be published later as part of our RACK Room broadcasts which is a part of the RACK Vision inspired by Tom Rossman.

We would like to welcome Pastor Michael Hewitt as our new Gospel Trick Shot Ministries, Inc. Vice President and newest board member. Michael has been volunteering with GTS for many years at various billiard events and outreaches. He has a growing family of eight with his wife Kim and their six children all still at home in Muncie, Indiana. Michael is the pastor of Rising Hope Church in Muncie and his wife Kim is the music director. We would also like to thank Pastor Rodney Fontaine for his service over the past few years as our former Vice President. He will still remain on the GTS board as a valuable member. Rodney has been our GTS/RACK Team pastor and has helped organize and participate in many GTS outreaches and events through the years. Many have come to know Christ through the faithfulness of Pastor Rodney!

If you would like to access some of our videos and other materials there is a menu below. Also included is a video down below #7 of Martin Luther King Jr. playing pool which was used to inspire a Gospel Trick Shot outreach in Florida at a Black Heritage Festival earlier this year. With all that is going on racially in our Nation see how MLK used pool for good!
