Featured Article of the Month by Steve Lillis

North Africa Team – Our team is now up to 14 members who are preparing and planning to go to North Africa in 2021. We are meeting monthly on Zoom with presentations from special speakers representing seven ministry organizations. About half of our members are young people under the age of 30 mixed in with some seasoned veterans. We are looking to implement BAM (Business As Mission) with the opening of two billiard cafes and a private Christian school in Morocco and Tunisia. Our team has a diversity of backgrounds including business, education, sports, and health care. Please pray!

BCA Virtual Trade Show – The show took place July 27-30 virtually and had 520 attendees from all over the world of billiards. The BCA (Billiard Congress of America) hosted the show and is a leader in the industry. Steve Lillis did two presentations on Billiard Cafes in North Africa and had 36 people involved with half of them live on Zoom and the others involved by way of social media. Contacts were made and potential partners and suppliers were introduced to this business concept.

Take a Break in the RACK Room – Two more videos were published this past month to add to our collection of published videos and podcasts that have been seen by thousands of people worldwide during this season of Covid-

A new Mike Massey song and another Steve Lillis video are listed below as people are encouraged to “Take a Break in the RACK Room.” Tom ‘Dr. Cue’ Rossman has begun work on his “Q and Cue Characters” for children which is similar to the Veggie Tales concept. Pray for Tom!
