March 2021 News

GTS exploding on the Internet by Steve Lillis

It was exactly one year ago that we reported to you that Steve Lillis and Tom "Dr. Cue" Rossman completed a 6-state "Southeast Woodstick Tour" with the GTS portable pool table traveling 2,000 miles with 20 stops at various venues where hundreds of people heard the gospel live. Here we are one year later and after one year of COVID-19 and an intentional effort to go online with GTS ministry in April 2020 after a GTS Board meeting the results have been astounding. Hundreds of thousands of people all over the world including prison inmates have been able to view our work and hear the Gospel of our Lord Jesus Christ. Here is a sample of what we have released in just the past month of February 2021:

- 1) New short video by Steve Lillis called "The Titanic" (2 min 55 sec) released on our GTS YouTube channel.

- 2) Live testimony interview (one hour 7 min 34 sec) with World Champion and BCA Hall of Famer Johnny "The Scorpion" Archer with GTS VP Pastor Mike Hewitt and Tom "Dr. Cue" Rossman.

- 3) Amazing written testimony by GTS RACK Team member and World Champion Mike Massey published by the largest online billiard publication AZBilliards.com in their column section called "Sharing the Light."

- 4) Gospel Trick Shot column in AZBilliards.com "Buzz" magazine published the 14th and final shot from Steve Lillis' new book "What's That in Your Hand" with new monthly shots coming soon by different GTS RACK Team members. The Gospel Trick Shot for this month is found on page 11.

- 5) Pastor Mike Hewitt launched a TikTok account this past month primarily to reach young people and can be found on your mobile device under `gts Rack Rooms`. In the first week alone, he received tens of thousands of views and accumulated hundreds of followers. Praise God!

Finally, this past month Mike Hewitt, Tom Rossman, Steve Lillis, and a professional website developer have been working on the launching of a new website called [GTSRACKRooms.com](http://GTSRACKRooms.com). This will be a landing platform to feed in and out of our large assortment of online material. For example, it will contain our YouTube, Facebook, TikTok, and other social media material. Another special feature will be the launching of the "Q and Cue" animated billiard characters which is similar to the "Veggie Tale" characters that became so famous. It will also contain the history of GTS and RACK and so much more with the many people and events that have helped make this ministry possible. It will also list partner ministries from all over the world and links to get people not only into a relationship with Jesus Christ but also into a local church for discipleship. Please pray for this massive project as we hope to launch sometime in April 2021. As always to God be all the glory!
