GTS Florida Tour Recap

Africa Report and Update

GTS Las Vegas and Arizona Recap

GTS Florida Tour Recap – A Gospel Trick Shot RACK Team of seven including Tom “Dr. Cue” Rossman who flew in for the first week performed 15 GTS shows in late February early March over a two-week period in 12 cities in Florida as far South as West Palm Beach and as far North as the Georgia state line in Live Oak above Ocala. The venues included community centers, senior centers, pool rooms, Sheriff’s Boys Ranch, Salvation Army facility, and the Omni Orlando Resort at an NCS retreat. The team was stationed for the most part in central Florida Lake Wales and Sebring area and broke up into two teams with two drivers to get the job done. There were 26 people who decided to follow Christ that we know about at the presentations with many more looking online on our Facebook live pages. The team helped launch three Bible studies with two in community centers in mobile home parks and one in a local pool room. The studies are already underway! Additionally, two churches Tower Lakes Chapel in Lake Wales and His For Life Ministries in Sebring partnered with us for support and follow-up. Special thanks to those two churches and all the people involved in the outreach for their special help and precious financial support. GTS team member, friend, and helper Mike Massey along with other team members are in Sebring now ministering in that area in the month of April! To God be the glory great things he has done!

Africa Report and Update – A water well was dug and a roof was repaired at an orphanage in Lusaka, Zambia with the help of GTS and partners. The pastor there would like to start a billiard table manufacturing company so there can be employment opportunities with a revenue stream. Gospel Trick Shot is planning to take a team over there hopefully in the fall to help get this started using the BAM (Business as Mission) model of ministry. A partner church reports that we had two salvations around the pool table in Bindura, Zimbabwe. Please pray and ask God how you can help!

GTS Las Vegas and Arizona Recap – A GTS team of seven met in Las Vegas in late March for the U.S. Pro Billiard Series Alfa Las Vegas Open 10-Ball alongside of the BCAPL World Amateur Championships. Steve Lillis competed in the pro event and did GTS shows in vendor booths all at the Rio Hotel and Casino in Las Vegas, NV. Then Steve and his brother-in-law Michael Curl headed down the road to Wickenburg, Arizona for another week of outreach while the rest of the GTS team stayed behind in Las Vegas to minister at the Rio for another week.

Steve Lillis and Michael Curl partnered with the Community Alliance Church in Wickenburg, AZ and did five Gospel Trick Shot shows in the Wickenburg area along with videoing three future Gospel Trick Shots at the Wickenburg Ranch House to be published in the national online billiard magazine called "The Buzz" with a worldwide circulation in the thousands. Steve was also the featured speaker at a Thursday morning Christian men's breakfast meeting in downtown Wickenburg. Venues in the Wickenburg area included two cowboy saloons in town, one Dude Ranch on the outskirts of town, with two shows back-to-back at the Wickenburg Ranch House in the community where Steve's sister Janet and brother-in-law Michael Curl reside. Fifteen different members and some children from the Community Alliance Church served as the outreach team at the shows to help with the follow-up as people prayed to receive Christ and were invited by invitation cards to attend the church.

Then after a flight cancellation in Phoenix on April 1st, Steve stayed another 3 days in April and did a Sunday afternoon Gospel Trick Shot Show at the Bell Recreation Center in Sun City in the Phoenix area. Many friends and family were on hand as Steve has two sisters who live in the Phoenix area along with many GTS partners and friends. Steve's Mom Ellie who was the inspirational founder of Gospel Trick Shot lived the last 20 years of her life in the Phoenix area where Steve would often come and minister with GTS. Our GTS friends, partners, and family members living in the Phoenix area helped arrange that GTS show in Sun City where five people prayed publicly to receive Christ! It was obviously God's plan to cancel that first flight out of Phoenix! Our GTS family is praising Father God for the marvelous leading of the Holy Spirit, for His abundant provision, and for all the special blessings along the way as we continue to serve our King Jesus! Thank you also to all our many friends and partners around the world as without you being the hands and feet of Jesus all this would not happen! Again, to God be ALL the glory!
